## April 2021 Rally

### Xtreme RV Resort Eufaula, OK

Our hosts this month were Bill and Pam Doyle with the help of Terry and Rita Arndt.

All are new members and had only been to 1 rally, where they each signed up right away to host rallies. All I can say is Bob and I missed a great rally as they did an amazing job!

A big thank you to Beverly Helms and Stan & Lisa for the pictures they sent to me. With this being the first time ever at Xtreme RV Resort, we heard some positive feedback and hope to go back.

Thursday, after the group's arrival, there was an appetizer potluck followed by the business meeting in the resort's club house.

Friday the group drove to Muskogee where they ate lunch at Hamlin's El Toro Mexican restaurant followed by a guided tour of the Five Civilized Tribe Museum. Only a few azaleas were spotted in Honor Heights Park's Azalea Festival due to the brutal freeze this past winter. Dinner was at Dobbers Roadhouse.

Saturday was a free day to discover the town and surrounding area. Dinner was at Pete's Place where you could choose great steaks or Italian food, with spaghetti and ravioli served family style to share among the table.

Sunday morning the Arndt's treated the group to a delicious good-bye breakfast to end a fabulous week-end.
