

Branson Campout July 16 – 19, 2020 Treasure Lake RV Resort

Our hosts for this trip were Larry & Billie Oth and Larry Page. There were 10 member coaches in attendance: Campbell, Evans, Francis, Kooy, Johnson, Marbury, Mitchell, Oth, Page, Trippensee.

There were three guest coaches: Bob/Marilyn Mitchell, Bill/Sharon Keegan and Brad/Rose Mudget. Welcome to our newest members Bob & Marilyn! There were several of us that arrived a day early and enjoyed a little more visiting time. Rose Mudget who loves arts and crafts gave each lady there a bracelet that she had made. Thank you Rose!

Thursday evening, we went to Branson Landing and were able to dine at the restaurant of our choice. Several tried either Paula Deen's Family Kitchen or White River Fish House. We enjoyed walking along the landing and watching the water show.

Some ice cream after dinner really hit the spot too.

Since Branson has so much to offer, it was a week-end of picking what you wanted to do. Friday night's dinner was furnished by the campground which served pulled pork, baked beans, coleslaw, and buns. We had a presentation by Sky Med who gave away several door prizes, and served root-beer floats. The Mitchells cleaned up on the door prizes but there were a few others that won items as well.

Some afternoons before it got too hot, we were able to sit under the canopy with fans and get a little visiting in.

While others cleaned their coach 😊

There were 3 members with new or new-to-them coaches – Marbury’s, Mitchells, and Johnsons. We had fun touring all of them!

(Frank and Bob) tried to fix an awning that wasn’t broken. LOL but... I will say they did get lots of other things figured out on Frank and Vicki’s new coach.

Saturday night’s dinner choice was Italian food at Florentino’s. It didn’t seem to matter whether you ate pizza, spaghetti or a sample plate of items, all seemed to enjoy their food.

On Sunday morning we enjoyed a Good-Bye breakfast furnished by our hosts. As we all headed home, we looked forward to the next time we can be together to enjoy the camping life together.

Hope to see you in Eureka Springs in September,

Candy
