

Ozarks Prairie Sooners Rutlander Outpost RV - Louisburg, KS July 15-18

Thank you to our hosts - Campbells and Johnsons. If you showed up the day before like so many of us like to do, our hosts took the group to El Porto Mexican Food in Paola, KS. Our group enjoyed catching up with each other and eating dinner together. Regardless of who we're with in the club, we have fun together.

Thursday evening, we met in the clubhouse for a Welcome Potluck dinner with our business meeting to follow.

Friday, we had the day to explore, or go shopping since we were so close to Kansas City. Later that evening we headed to the New Theater in Overland Park for a dinner and show. This is a very nice dinner theater with great entertainment from music to plays (some including headline actors). The efficient buffet had a lot to choose from and everything was delicious. Elvis Presley along with Jerry Lee

Lewis impersonators were the entertainment of the evening, **wow!** they were both equally fantastic.

Saturday Morning, we carpoled to the Louisburg Cider Mill. They have cider donuts, cider, and a variety of soda which they make. I think we tasted 20 different sodas. Several left with a six pack or two.

Some of us went to the clubhouse for games before dinner was catered since it was raining, and several stayed for more games after dinner.

Sunday we had a goodbye breakfast in the clubhouse before everyone headed back home from another fun week-end of site seeing, tours, good company, and entertainment.

Next stop for the Ozarks Prairie Sooners - ABC Resort in Branson.
